EDITOR’S NOTE

The fast-growing franchising industry touches everyone’s lives in a positive way – whether or not they are even aware of it! Of course, quick-service restaurants are the largest segment of the franchise industry and the one that most people think of when they hear the word “franchise.” But franchising opportunities abound in many other exciting segments, providing consumers with vital services ranging from auto repair to senior care. These opportunities also provide franchisees with a chance to participate in an industry that generates $674 billion in output for the U.S. economy and provides employment for 7.6 million people, according to the International Franchise Association.

Franchise owners and executives need to stay on the cutting-edge to compete in this crowded marketplace. They face pressure from all sides – from franchisors that want to ensure their products are marketed and sold correctly to customers who demand they receive the service and products they expect from the brands they love. Franchising Today is the must-read trade publication for these franchise professionals who want to stay informed of the latest trends and challenges in this dynamic marketplace, including sales and marketing best practices, real estate trends, regulatory and legal issues and much more.

Through our print and digital publications, website, collaboration with industry associations and independent editorial, Franchising Today ensures these executives are kept up-to-date on the latest happenings in the franchising space. Each issue profiles dozens of successful franchisees – from owner-operators of single-unit franchises to large multi-unit businesses – and features in-depth interviews with the executives who run them. You can also turn to our website, Facebook page and Twitter page to keep abreast of trends and news in the industry as they happen.

Franchising Today is the just-in-time vehicle for industry leaders who want to read about, reach and influence the franchising sector.

WHY ADVERTISE

» Strategically position your brand in front of executives who have the financial resources to make purchasing decisions and partnership/investment inquiries

» Reach C-Suite executives and investors who comprise a readership base that has been organically built and maintained the last four years

» Our research team only targets CEO’s, Presidents, Vice Presidents, Owners, and Department Heads. Although marketing/communications and some technical professionals may come to view the publication, it primarily serves senior level officials

» Creates solidarity among featured companies, strategic industry trade partners, and basically any organization involved in the industry

» Leverage strategic alliance/partnership with an industry leading brand to create business opportunities

» Just as much as the featured companies are receiving visibility through the content, any potential advertisers are also getting their respective brands and products/services in front of the same audience of decision makers

» Multiple platform exposure through the print, digital, website, and social avenues

» Tangible material to assist in any marketing and business development plan

» Equity firms, investor organizations/groups, and capital providers should advertise to show strength in uncertain markets and liquidity to exploration, development, and production (as well as ancillary service provider) firms who are looking to raise capital and actively looking for advice on acquisitions, mergers, strategic takeovers, and general business restructuring

“Stopping advertising to save money is like stopping your watch to save time.”
HENRY FORD

“Advertising is totally unnecessary. Unless you hope to make money.”
JEF I. RICHARDS

“Advertising is the life of trade.”

### TERMS AND CONDITIONS:

These conditions shall apply to all insertion orders for advertisements submitted by the Advertiser and accepted for publication by the Publisher. All insertion orders for advertisements are accepted subject to the Publisher’s approval of the copy and to the space being available.

The Publisher reserves the right to cancel or suspend an advertisement at any time for good cause as it determines in its sole discretion, in which case no claim on the part of the Advertiser for damages or breach of contract shall be made.

Acceptance of an advertisement for publication by the Publisher does not constitute endorsement or approval by the Publisher of any product or service mentioned.

All copy must be received by the stated dates. In the event of non-receipt of copy, the Publisher reserves the right to reject or delay such copy or to replace “generic” advertising for the Advertiser. Time shall be of the essence in respect of all obligations undertaken by the Advertiser. Failure to timely submit copy to the Publisher shall not relieve the Advertiser from liability for the cost of the advertisement.

Every care is taken to avoid mistakes, but the Publisher cannot accept liability for any errors due to third parties, subcontractors or inaccurate copy instructions. Claims of errors in finished orders will only be considered if the Advertiser has previously affirmatively submitted copy and approved the proof, the advertisement deviates from the submitted copy and/or approved proof, and notification of the error is received in writing within ten days of receipt of invoice. The Advertiser accepts full responsibility for all content it submits to the Publisher (including text, representations, illustrations and advertisements) and agrees to indemnify and hold harmless the Publisher against all actions, costs, claims, proceedings, damages and liabilities whatsoever incurred by the Publisher as a result of the publication of any material supplied or approved by the Advertiser.

The Publisher shall not be liable for any financial, consequential or indirect loss or damages suffered by the Advertiser as a result of any act or omission of the Publisher.

The liability of the Publisher in respect of any breach of its obligations pursuant to this contract shall be limited to an amount equal to the sum actually paid by the Advertiser to the Publisher in respect of the relevant order. Save to the extent that the same cannot be lawfully or statutorily excluded, all express or implied conditions, warranties or representations relating to the performance of the contract by the Publisher to the Client are hereby excluded. Claims, single insertion orders and profile advertisers are non-cancelable.

**CONTACT ADVERTISERS**: If an Advertiser cancels the contract of a contract (including covers or single insertion orders, which are non-cancelable), it renews the same right to that series discount to which it was previously entitled and advertisements will be invoiced at the appropriate rate.

While every effort will be made to meet the wishes of Advertisers regarding positioning, no guarantee can be made unless the Advertiser is paying a special position charge. Additional work required after proof, ads will be charged at cost.

The insertion order, including these terms and conditions, and the rate card constitute all the terms of the contract between the Advertiser and the Publisher. No agent or other representative of the Publisher has the right to vary the terms of the contract in any way, except in writing, signed by the President of the Publisher.

Invoices are rendered at the end of each month. Full settlement is due upon publication. Advertisers who fail to pay within the period will be liable for a surcharge of 4% interest per month for each full-month overdue, and shall pay to Publisher any costs and fees, including reasonable attorneys fees, incurred by Publisher in the enforcement of this contract and in the collection of any sums due.

Jurisdiction and venue over any claims arising out of this agreement shall be subject to the exclusive jurisdiction of the Circuit Court of Cook County, Illinois.

No agent or other representative of the Publisher has the right to vary the terms of the contract in any way, except in writing, signed by the President of the Publisher.

For all supplied ads, the preferred file format is a high-resolution Adobe PDF, in CMYK format, with all fonts embedded. Supplied media should be labeled with advertiser name, magazine title, issue date, and contact name and phone number. We also accept supplied ads sent in Microsoft Word, PowerPoint, Excel, Works, Pagemaker, or Publisher formats. All supplied ads must be accompanied by a PDF for proofing purposes. All supplied ads must be presented in a manner ready for press. Franchising Today magazine does not accept responsibility for files that have not been presented correctly—the sole responsibility for file content rests with the file originator.
